PRESS NOTE

For 139 days, a truly stupendous amount of time, your co-operation and participation in our movement has humbled and inspired us, and helped us in reaching out to the citizens of our nation to try and give them a semblance of the blatant disregard of this institute and it's students by the ministry and the incumbent government.

We'd like to invite you for the most fundamental and pivotal Press Conference in a movement that has become bigger and more nationally relevant than we ever imagined it to be, tomorrow, i.e 28th October, 2015 at 2:00 p.m

We look forward to each and every one of your presence tomorrow.
